HANOVER SCHOOL DIVISION INVITES YOU TO AN EVENING PRESENTATION

The digital world is here to stay, changing our society in a ways that have far reaching consequences for our children. What are the implications for parenting? How do we harness the spectacular connecting potential and yet avoid the pitfalls of attachment technology gone awry? How do we prepare them to live in this new world and yet preserve what is required for healthy development to take place? We have followed our children into the digital world and yet for their sakes as well as ours, need to restore our lead in order to avoid the insidious dangers that live in the shadows of this potent technology. Dr. Neufeld will look at the digital revolution as a developmentalist committed to helping parents help their children become all they were meant to be.

Dr. Gordon Neufeld, a world-renowned psychologist and best-selling author, addresses these issues and points to a way through. His approach is refreshing and his insights make sense, not only of today's society but also of the children and youth in our care.

All parents/guardians are welcome to attend.
Please RSVP by Monday, Feb. 18, 2019.
(call 204-326-6471 or email events@hsd.ca)
Light refreshments will be served.
190 McKenzie Ave, Steinbach

Date: Thursday, Feb. 21, 2019
Time: 7:00pm-9:00pm
Location: SRSS (Gold Gym)
(190 McKenzie Ave, Steinbach)

Relationship Matters

Band/Music @ Kleefeld School

The month of February brings a few things for band members to remember. First of all the Country Perogy Shop and Mom's Pantry fundraiser will run from February 4-19. All orders and payments must be in by the 19th. This is our last fundraiser for the year so for those of you going on the band trip in May, be encouraged to work hard at this fundraiser!

Secondly, February 19th the grade 8 band will be performing at the Optimist Festival at the Convention Centre in Winnipeg. Their performance slot is for 1:40 PM. Parents you are very welcome to come listen and watch the performance! A reminder that students are required to wear their band uniforms from the time they leave Kleefeld School to the time they get back. Bring a lunch or some money for McDonald's.

You Are Invited to Attend...

KLEEFELD SCHOOLS BREAKFAST PROGRAM FUNDRAISER

**Want a Fantastic start to your
Valentine's Day? Join us for our
Breakfast Fundraiser!**

Thursday, Feb 14 8:30-9:30

In the Gym!

"Breakfast is the most important meal of the day,"

At Kleefeld School, we know this to be true for several reasons...

- 1) Breakfast boosts kids' attention spans, concentration, and memory all of which is needed to learn in school.
- 2) Breakfast builds community @ Kleefeld School. We know some students come to school hungry. We know some students struggle to come to school every day except breakfast days.

We receive limited support from the Child Nutrition Council of Manitoba, we are grateful, but it does not cover our costs.

That is where you come in. Please come join us for breakfast and bring your checkbook. We are grateful for your support.

**February is
I Love to Read @ KS**
We have many events set up
to celebrate reading this
month. Here is a summary:

- 1) The Hive is set up for our Scholastic Book Fair this week. Please stop by and add some new books to your collection.
- 2) Kick Off Assembly - Feb 11 @ 11:00 - Corny Rempel will be visiting - it's always a great time!
- 3) Celebration of Literacy Assembly - Feb 28 @ 10:15
- 4) Possibly...Maybe...We're working on having a **real live author** visit our school for a day. He will share his books with us and tell us how he comes up with ideas and writes his books.

Bus Loop and Drop Off Lane Reminders

**SCHOOL
SAFETY**

Our bus loop continues to be open to vehicles for dropping students off and picking students up. We would like to ask for the following considerations:

- 1) If buses are in the loop dropping students off/picking students up, vehicles should wait to enter the loop.
- 2) Please do not pass another vehicle in the bus loop as students may be coming around to the driver's side.
- 3) Why not use the bus loop? Rather than pulling into the drop off lane against traffic, or worse yet, making a U-Turn out of the drop off lane.
- 4) Please remember the speed inside a school zone is 30 Km/hr.

We would like so say a HUGE

Thank You to

those of you who are being so watchful - especially on Friesen Ave where student cross the road. We greatly appreciate your vigilance.
