NEWS FROM THE HIVE...

HEAD LICE SEASON WILL BE ARRIVING SOON!

The season that head lice become active and mobile will soon be upon us. **The most important thing for parents to hear is that when your child has head lice, it is in no way a personal reflection on them or their family.** They are just very mobile little creatures.

Parents, please check your children for lice and treat accordingly. If advice or supplies are needed, please contact the school—we are happy to help. If it is possible to notify the school, we greatly appreciate it. We will send letters home to students in the class and take necessary precautions to limit the spread of the lice.

THE CHILD(REN) WITH LICE WILL REMAIN ANONYMOUS!

The most important way to get rid of head lice is to ensure that all nits and eggs are removed from every strand of hair on the person's head. There are special combs for this.

Lost & Found

Do you notice more room in the closet?
Does it seem like your kids have fewer clothes?
We have one lost and found bin just outside the canteen.

IT IS OVERFLOWING!

Please encourage your child(ren) to look through the Lost and Found bin regularly to collect missing items.

KLEEFELD SCHOOL PARENT ADVISORY COUNCIL

The PAC held their Annual General Meeting October 22. Here are the parents who have agreed to form the PAC Executive: **President: Andrea Klassen** **Secretary: Selma Harder**

Band/Music @ Kleefeld School

There are a couple of important items on our musical calendars @ Kleefeld School. The gift card and La Cocina fundraisers have begun November 1. Auditions and practices for the Christmas musical are underway. The Gr 4/5/6 students will perform Christmas in the Country. Tuesday, December 17. Please consider attending our first Gr 7/8 band concert of the year, Thursday, Dec. 5 @ 7:00.

Parent-Teacher Conferences

Term One Report Card will be issued on Friday, November 22. The reports will be available via the Parent Portal. Thursday, November 28 is Parent/Teacher Interview evening. Parents are asked to access the Parent Portal to select Parent/Teacher interview times. Interview times are specified for Kindergarten-Gr 5 students. Since middle school teachers teach more than one class of students, the time range for those interviews is suggested and they are located in the gym so parents can connect with the teachers of their choice.

OUR GOAL IS TO MEET WITH ALL PARENTS.

I Still Love You: Nine Things Troubled Kids Need from their Parents, Caregivers, and Schools

How can we show children we love them even when they push us away? How do we make children more resilient when they are angry, self-harming, anxious, abusive or delinquent? In this story-filled presentation, Dr. Michael Ungar provides nine practical strategies parents, caregivers and educators need to help young people of all ages heal, no matter a child's emotional, psychological or behavioral problems. Based on material from his new book, *I Still Love You*, his clinical practice and his research around the world, Michael will share what families and schools have taught him about the power of unconditional love. Be prepared for an inspiring presentation. Michael's words will help you understand the importance of the everyday heroics that change children's lives, even when children's parents, caregivers and educators are frustrated and unsure what to do next.
