Online Registration for Kindergarten

Kindergarten registration for the 2020-21 school year will open on January 6, 2020. To be eligible, children must be five years of age on or before December 31, 2020. The registration process will take place online at www.HSD.ca. If you do not have access to the Internet, please visit the school office and we can assist you in completing the registration on a school computer. Parents/Guardians are encouraged to register their children soon after registration opens in January. Early registration will assist us in preparation and planning for the upcoming school year. Registering before March 1, 2020, will ensure there is sufficient time for school appointments and provide parents/guardians with the opportunity to participate in Kindergarten orientation activities. Visit www.HSD.ca for registration instructions.

PLEASE NOTE - Online registration is the first step in registering a child for school. Parents must visit the school to complete the registration process.

WELCOME TO KLEEFELD SCHOOL...

We are happy to welcome some new staff members to Kleefeld School for the remainder of the year. Mr Jeremy Wiebe is joining our EA team. We are pleased to welcome Mr Josh Winter who will teach gr 6 homeroom and middle school subjects. We are excited to introduce Mr Sean Goerzen who will be KS's new teacher of all things musical. We are celebrating the addition of these educators to our staff, and are looking forward to a great year of continued learning @ KS.

Cold Weather Considerations

Please be aware that Kleefeld School students are expected to participate in outdoor recess and should **dress appropriately for the weather conditions**. When temperatures/wind chills are between -25 & -29, recess is still outside but is shortened. When temperatures/wind chills are at/beyond -30, recess is indoors. Weather Related School Closure guidelines are available on the HSD website. HSD will close for extreme hazardous conditions (blizzards, blowing snow) and for cold weather reasons when the temperature at the Environment Canada weather station in Kleefeld at 6:00 AM is at minus 35 degrees Celsius or colder OR is experiencing a wind chill of minus 45 degrees Celsius or colder. If concerned about child safety during periods of extreme weather, parents may choose to keep their children at home.

Band/Music @ Kleefeld School

Thank you to students and staff who contributed to the grade 7/8 band concert and to those involved in the grade 4-6 musical. It is excellent to see our students developing their musical skills as well as performance skills.

"If ever there is tomorrow when we're not together... there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think. But the most important thing is, even if we're apart... I'll always be with you." —The House at Pooh Corner by A.A. Milne

HURRY HARD TO ROYAL MTC'S 'THE NEW CANADIAN CURLING CLUB'

The Royal Manitoba Theatre Centre and Manitoba Liquor & Lotteries present ***The New Canadian Curling Club***. Throughout their touring history, Royal MTC has brought a variety of professional theatre productions to rural communities. This production will be directed by Miles Potter.

In a town so small it only has one Tim Hortons, community-minded Marlene is determined to "diversify" the curling club. She enlists four newcomers to learn the game but when she breaks her hip, it's up to her politically incorrect ex-husband Stuart to step in. Things start off badly and get worse. Stuart doesn't think the new Canadians can hack it and they have bigger worries than mastering this strange sport. With team unity on the rocks, time is running out. Can they sweep aside their differences to compete in the Highlander Cup Bonspiel? Hurry hard to the theatre to find out!
