## KLEEFELD SCHOOL PARENT ADVISORY COUNCIL

Kleefeld School staff would like to say a huge thank you to the PAC for the staff appreciation treats, snacks and cards you delivered to Kleefeld School staff in the last week of February. Your thoughtfulness and support are greatly appreciated. The next PAC meeting is on Monday, March 9 @ 7:00 PM in the Hive. You are welcome to attend.

## SAFETY DRILLS AT KLEEFELD SCHOOL

As the weather begins to warm up, we will resume our schedule of safety drills. At Kleefeld School we practice three types of safety drills: fire drills, lock down drills and tornado drills. The teachers will be introducing the idea of lockdown drills with students in the next week and those drills will happen after that. If you have questions or concerns, please call Y Schroeder at the school.

## Dressing for the Weather - Considerations

Please be aware that Kleefeld School students are expected to participate in outdoor recess and should dress appropriately for the weather conditions. We are entering a season where the weather is warm in the afternoons, but quite cool in the mornings. Please encourage your children to dress in layers so that they are not suffering from the cold on the way to school and in the morning. Hopefully we are finished with the extreme cold and blizzards. We will continue to follow the cold guidelines if necessary. When temperatures/wind chills are between -25 & -29, recess is still outside but is shortened. When temperatures/wind chills are at/beyond -30, recess is indoors.

Weather Related School Closure guidelines are available on the HSD website. HSD will close for extreme hazardous conditions (blizzards, blowing snow) and for cold weather reasons when the temperature at the Environment Canada weather station in Kleefeld at 6:00 AM is at minus 35 degrees Celsius or colder OR is experiencing a wind chill of minus 45 degrees Celsius or colder. If concerned about child safety during periods of extreme weather, parents may choose to keep their children at home.
