LEARNING @ HOME INFO

We have created a central place for students and parents to access teacher contact information and links to help students learn even though we are apart. This site is set up with the goal of easy student / parent access to each grade's learning materials. Please check it often as the pages will be updated regularly.

Just click on GRADE LEVEL PAGES in the top right hand corner and then the grade level of your choice.

STAFFING / CLASS UPDATES

We are now entering the season of planning for the 2020-21 school year. Several staffing changes are occurring next year.

- Mrs Kathy Wiens has accepted a transfer to a position with HSD Student Services. Thank you Mrs Wiens for the help and support you have provided for students and families in your time at KS.
- Our term teachers will remain with us for the 2020-21 school year
 - Mr Sean Goerzen Band/Music,
 - Mrs Lori Wolfe TBD
 - Mr Josh Winter Grade 5
- Mrs Wendy Martens will be KS Guidance Counselor for Kindergarten - Gr 8
- Mrs Christine Friesen will be moving from Gr 5 into the role of Learning Support (aka Resource)

Class Updates-

 - Gr 6 - Mrs Sonja Durhack

KLEEFELD SCHOOL PARENT ADVISORY COUNCIL

Due to in school classes being suspended by the Province of Manitoba, PAC meetings are cancelled. We look forward to when we will be able to resume in school learning and our regular PAC meeting schedule.

BAND / MUSIC @ KLEEFELD SCHOOL

The closure of schools has had a great impact on our band and music program at Kleefeld School. The first effect was that our Band Bash Fundraiser (Thursday, March 19) was cancelled. Since then, the Province of Manitoba has closed in school learning indefinitely. This has affected the remainder of the band and musical events for this school year (grade seven band @ Optimist Festival, grade six orientation for grade seven event, spring musicale, grade eight band trip, grade seven/eight June concert). Undoubtedly we all have many questions surrounding the cancelation of these events. We are in contact with HSD and the Province of Manitoba for directives. Once we receive that information, we will pass it on to you.

CLASS REQUESTS

We are fast approaching the time of year where we will be creating classes for next year. There are a number of factors which are considered as classes are being created. One of those factors is that students have a friend in their classes. Normally, teachers collect this information from their students in school. This year is not normal – so, please could students and/or parents **notify their students' homeroom teacher** with a list of 5 friends. We need to receive these lists **by Monday morning, April 27**. After this date, we will do our best to connect students with friends based on teacher observations.

Another type of request we receive from parents is class placement requests. **Parents wishing to request students' placement in a specific classroom should be made by the morning of Monday, April 27**. After this date, adjustments will be made only in the direst of circumstances. It should also be noted, that while we do not guarantee or promise class placements, we will try our best to honour those requests.
