KLEEFELD SCHOOL PARENT ADVISORY COUNCIL

The financial statement and AGM minutes are on the Kleefeld School website. Our next meeting takes place on November 17th at 7pm at the Kleefeld Recreation Centre.

Kleefeld School has permission to begin Discovery Time. We are in need of Discovery Time teachers. If you are able to volunteer for this, please contact the school at 204-377-4751.

SAFETY DRILLS

SAFETY DRILLS AT KLEEFELD SCHOOL

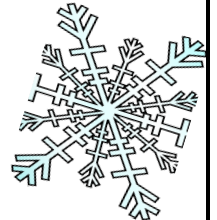

At Kleefeld School we practice three types of safety drills: fire drills, lock down drills and tornado drills. We have been practicing individual class fire drills this past month. Our goal is for students to understand the seriousness of a fire and have the knowledge to exit the building in a safe and organized manner. If you have questions or concerns, please call J. Bergen at the school.

Dressing for the Weather - Considerations

Please be aware that Kleefeld School students are expected to participate in outdoor recess and should **dress appropriately for the weather conditions**. We are entering a season where the weather is turning colder. Please encourage your children to dress warm so that they are not suffering from the cold. We will follow the cold guidelines as necessary.

Weather Related School Closure guidelines are available on the HSD website. HSD will close for extreme hazardous conditions (blizzards, blowing snow) and for cold weather reasons when the temperature at the Environment Canada weather station in Kleefeld at 6:00 AM is at minus 35 degrees Celsius or colder OR is experiencing a wind chill of minus 45 degrees Celsius or colder. If concerned about child safety during periods of extreme weather, parents may choose to keep their children at home.

Band/Music @ Kleefeld School

Our instrument covers and student masks have arrived so that band will now take place indoors. We will begin with Christmas music shortly and will find a way to share it with you.

TERM 1 REPORT CARD & PARENT TEACHER INTERVIEWS

Your child's term 1 report card will be available electronically on Friday, November 27 through Parent Portal. Parent Teacher Interviews are on Wednesday and Thursday, December 2 & 3 through ZOOM. These interviews are scheduled by request from the teacher and/or parent.

We would like to meet with each of you this term. Appointments can be booked through Parent Portal or by calling the school office.

LIBRARY BUZZINESS

Spend November reading great new releases the library has to offer. Find out how the wild west was tamed in *"The Toughest Cowboy"* by John Frank. Go on a road trip with Grumpy Unicorn in *"Grumpy Unicorn Hits the Road"* by Joey Spiotto. If you could have any animal's tongue which would you choose? Read up on the cool facts in *"What If You Had an Animal Tongue!?"* By Sandra Markle.

Graphic novel readers will enjoy *"Baby-Sitters Little Sister #2: Karen's Roller Skates"* and *"I Survived: The Shark Attacks of 1916"* by Lauren Tarshis, a fabulous adaptation from the chapter books.. *"They Called Us Enemy"* by George Takei, is a red dot graphic novel that tells the story of George Takei's childhood experiences in American concentration camps as a Japanese American imprisoned during World War 2.

It's time for Miles Morales to suit up and save his friends and neighborhood, read the adventure in *"Miles Morales Spider-Man"* by Jason Reynolds. In *"Starsight"*, Spensa has found out that everything she's been taught about her world is a lie, she's now on a mission to save humankind. Read this much anticipated sequel to Skyward by Brandon Sanderson. Denise Gosliner Orenstein's book *"A Guard Dog Named Honey"*, tells the story of a girl who tries to steal a dog, but the dog steals her heart instead. In the summer of 1944, Max and Gerta had to abandon their home and are now relocated to a safe house that they share with Kat Vogel. The three kids are concocting a plan to keep the spirit of the resistance alive. Find out in *"The Plot to Kill Hitler book 2: Execution"* by Andy Marino. Another fantastic historical fiction read is *"Code Talker: A Novel About the Navajo Marines of World War Two"* by Joseph Bruchac. After being taught in a white nun run boarding school that Navajo is a useless language, Ned Begay and other Navajo men are recruited by the marines to send coded messages during world war two in their Native tongue. In Mathaias Lavorel's book *"Battle Royale" Last Fan Standing"*, follow the adventures of Paul, an unexpected hero trapped in the middle of a battle royale!

'Societies thrive on order, and the Rating System is the ultimate symbol of organized social mobility'. Six students, that don't seem to have much in common, are thrown together to decide if they are willing to confront the unfairness of the system for a better future. Find out in *"Rated"* by Melissa Grey. Maggie Hall's *"The Ends of the World"* is the final installment of the Conspiracy of Us trilogy. Avery West has lost everything and now she's one of the most wanted people in the world. How much is she willing to sacrifice to clear her name and save the world.

Some exciting news for the library, we will be hosting a **Scholastic Virtual Book Fair**, February 1-7, 2021. The library tab on the website will be updated with details as they come in.

"Who knows, my friend? Maybe the sword does have some magic. Personally, I think it's the warrior who wields it." ~Redwall by Brian Jacques

NEWS FROM THE HIVE...

Hello parents,

As you may have heard already, all of the schools in the province are going to code orange. That is going to cause a few changes, with one of the main ones being shifting all of our classes and students to two metre spacing. We have next week to make those plans, much of which we already have in place. You will be receiving some emails from the division this weekend with more information and a survey, so please read through those carefully and respond where appropriate.

Like always, we are here to answer your questions, and please trust that all of these decisions we make are made in the best interest of your child and their education. We are committed to doing what is best for our community!

Thank you,
Joel Bergen
Principal of Kleefeld School
