School Report from Mr. Bergen and Mr. Wallace:

- Fire Drills and Evacuation procedures; still have to do but will look different
- Focus on numeracy and literacy; extra time built into schedules for this, no French offered at this time
- Can do Band and Music with new protocols; band can play outside and once inside will need to use bell covers. For music can sing if wearing a mask, applies to all grades
- Recent COVID situation; one detection in school, as of now contained to one person and did not spread
- In regards to COVID; No one in the school prefers to teach this way. We all can't wait to get back to how it used to be, but we don't know how long that will be. We leave those decisions to the trusted individuals in the medical field. In the meantime, this is better than nothing.
- Reminders that we use frequently for now: stay home if you are sick, wash your hands regularly, maintain the appropriate distance from other people, wear your mask
