

Summer Reading Program

Reading during the summer will help your child practice and maintain the reading skills learned during this school year. Students from K to Grade 7 are eligible for the reading program. Students must have a clear record - all fines for damaged/lost books are paid for. Please return signed Summer Reading Program permission letters by June 17.

Students will be able to pick their summer reading books during their library classes the week of June 22-June 24. Parents of children in the younger grades can come help their child pick books after school these same days, from 3:45-4:30pm. All books need to be returned the first week of school in September 2022. A great time to bring them back is on Meet The Teacher night.
