*-The Manitoba Association of Parent Councils Inc oversees the Parent Advisory Council at a Divisional level. The PAC is a group of parents who come together to support their school and provide a platform for parental input into school-related matters. PAC are typically made up of volunteer parents who work collaboratively with the school administration and teachers to provide a parent perspective on issues affecting their children's education and well being.*

*The purpose of a PAC is to foster communication between parents and the school, provide a forum for discussion of issues relevant to the school community, and work together to enhance the educational experience for all students. PACs can play a vital role in advocating for student needs and providing feedback on school policies and programs.*
